PROMOTIONAL DIFFERENTIAL - AREA OF SPECIALIZATION

Teachers holding an approved Master's Degree issued by a recognized college or university meet the requirements for the Promotional Differential by virtue of such degree, and should file under Category 1.

Approved college courses and Board of Education In-service courses are acceptable for the 30 semester hours beyond the baccalaureate degree and/or the areas of specialization.

The Bureau of Salary Differentials and Status will accept toward the following approved areas of specialization, such colleges as are acceptable as content courses by the Board of Examiners in each of the various subject matter areas. It is not necessary to hold a license in the area of specialization for which you make application.

College courses in **Education** are acceptable for the 30 semester hours beyond the baccalaureate degree, but are not acceptable in areas of specialization, except for the area of Educational and Vocational Guidance.

1. **Foreign Languages:** 36 credits in ONE language.

A minimum of 24 credits in one major language, which may include literature, culture, philology and linguistics, and a maximum of 12 credits in one or more other foreign languages but not fewer than 6 in any one language.

2. **General Science:**
